NJ Lottery Offers Four Ways to Claim Prizes

From Pick-3 to Powerball, Crossword to CASH4LIFE, Claim Options Are Available

TRENTON (Dec. 14, 2021) – Each month, thousands of New Jersey Lottery players claim winning tickets of all prize values in a variety of ways. While many of our prizes may be cashed at any lottery retailer, those lucky players with big winning tickets should be aware of our options to claim prizes.

Prizes under \$599.50

- These tickets can be redeemed for cash instantly at any lottery retailer throughout the state. Simply present the ticket to the retailer and receive the prize.

Prizes over \$599.50

For these prizes, players will need to file a claim to receive a check for their prize. Claim forms can be found at any retailer, or printed from our website [here](#). Tickets that are damaged, questionable, or otherwise unable to be claimed at a retailer may also be submitted using the claim form. Claims take around 4-6 weeks for processing, and claims are processed in the order they are received. All options have equal processing times.

- Over 90% of our players opt to mail in their winning tickets to our office in Lawrence. The completed claim form and winning ticket can be mailed to:

NEW JERSEY LOTTERY

Attn: Validations
P.O. Box 041
Trenton NJ 08625-0041

- If a player prefers to drop their claim and winning ticket off in person, they may visit our office (8:30-4:30, M-F) where a secure drop box is available to leave the claim. Claim forms are available at the office. Our address is below:

Lawrence Park Complex

- If a player has won a jackpot, other large prize (approx. \$25,000 or more), or otherwise feels more comfortable filing their claim in person with a Lottery representative, they may request an appointment by calling us at 1-800-222-0996.
